

NJ Advisory Committee on Water Supply and Wastewater Licensed Operator Training
Meeting Notice

The following public meeting of the New Jersey Advisory Committee on Water Supply and Wastewater Licensed Operator Training (Advisory Committee) will be held remotely via Microsoft Teams to accommodate in-person restrictions due to the ongoing COVID-19 public health emergency.

Monday, November 8, 2021 at 1:00 pm

To obtain details, including instructions for connecting to the virtual meeting via Microsoft Teams, please refer to the NJDEP Councils and Commissions Meeting Calendar at <https://www.nj.gov/dep/calendar/public.html>. To make a request to add an item to the agenda, send an email to www@dep.nj.gov at least 48 hrs. prior to the meeting. Requests received less than 48 hrs. before a given meeting date may result in the request being denied or placed on the following meeting agenda. Attendees may also call in (audio only) at 1-856-338-7074 using the Phone Conference ID: 908 265 652#

During this remote meeting, Advisory Committee members may review requests for the approval of courses or training providers for continuing education credits for licensed operator training, discuss old and new business, review any Licensed Operator Board meeting issues, review the schedule for 2022 meetings, and address public comment. Note that formal actions including individual course approval status decisions and/or policy decisions may be taken at this meeting.

Changes, including any meeting cancellation, rescheduling, or change of venue will be posted on the NJDEP Councils and Commissions Meeting Calendar at <https://www.nj.gov/dep/calendar/public.html>
